2019-01-20 a bigger vocabulary a brighter future words they re the foundation of nearly everything of value in our world they have the power to create and the power to destroy the power to inspire and to terrify the power to enlighten and also to obscure and more specifically for you they have the power to attract wealth and success and guarantee your brighter future this is not hyperbole it is based on rock solid research studies show that those people with large vocabularies are smarter wealthier and happier than the average person and substantially so and here s the best news of all a large

vocabulary is not tied to your social status your genes or even your education level it is a skill that can be learned and it takes only 30 days in this cutting edge program 30 days to a more powerful vocabulary personal development expert and english enthusiast dan strutzel will instruct enlighten and inspire you with a concentrated 30 day program that will teach you over 500 words but more than teaching you these words the uniquely designed program will ensure that these words become a habit knit part of your life and with minimal effort on your part best of all research shows that learning new words has an exponential effect on the size of

your vocabulary since learning one word naturally produces an association between two to three more words in short after reading and applying the system in this 30 day program you will not only have a bigger vocabulary you will have a brighter future here s just a sampling of what you ll learn the 10 myths about building a dynamic vocabulary the secret behind the exponential effect of vocabulary building a 30 day program designed to maximize learning and comprehension of over 500 words the words you need to know about money and financial issues the words you need to know about persuading others the words you need to know about marriage parenting

and other relationships the words you need to know about science the words you need to know to be a great conversationalist why building a large dynamic vocabulary is even more valuable in the digital age and much more

Vocabulary & Spelling Success in 20 Minutes a Day

2018-12-19 my story this summer i started learning dutch i bought myself a flashcards starter a picture dictionary and beginner's book i have to admit that after two weeks of using them i gave them away for free to my friends and i let them suffer from that poor selection of language education what was the reason for my decision well

i was starting from scratch i knew nothing about the dutch language products i bought despite being for beginners were teaching me complete nonsenses across many flashcards i immediately have thrown away there were words like hooked nose or city council what is the use for them for such a beginner like me i couldn't say a sentence but i was able to name all the body parts and seasons what's the point i decided to change that so i have created a list of words i need to memorize to be able to read and understand at least half of the text in my video game magazine i only needed 50 most frequent words and some knowledge of english to

figure out what's going on in the text by learning the right vocabulary i only needed 50 words to understand half of the text instead of two sets of flashcards 500 words each try for yourself and let me know what you think frequency study there are many words that you use way more often than others which makes them more valuable to know therefore the simplest way to make a progress in your target language is to learn the right vocabulary how many words 250 enough to go on holidays 1000 covers 85% of speech 3000 98% of the spoken language as you see the key is to learn the right words what's inside i selected the most frequently

used words to give you the basics you need to understand the language there are more than 300 words grouped into categories some words are also used in example sentences to help you understand the context

My First Words 2019-01-04 you want to learn english fast and easy but you find it difficult to stay consistent or you don't know how to start for that we give you the easy way to learn english this notebook is organized for you to learn and write at least 3 words a day for 7 days in week it mean 21 words in week and 90 words in month let's start don't lose your time and use this notebook to learn english faster

Write 3 English Words Everyday 2020-02-21 this book

is not about learning vocabulary fast this book is about learning vocabulary efficiently and effectively efficiency means you spend less unnecessary time energy and stress you can enjoy it effectiveness means you can actually learn and get what you want you can learn it what sets this book apart from the rest i place my focus on knowledge rather than vocab i want you to grasp the knowledge and learn the vocab accordingly what is the opposite learn the vocab and grasp the knowledge but that does not seem to work very well in reality let me explain learning vocab will give you a lot of vocab true but you will find it hard to apply them

in real situations don't take my word for it just look at the fact that people learn tons of vocab and still struggle with writing they think their main problem is lack of vocab wrong in fact their main problem is lack of knowledge i have no struggle whatsoever with ideas in writing trust me i probably do not know as many vocab as some others but i am comfortable with the idea generation aspect in writing you can be the same if you focus on knowledge remember vocab is not the cause vocab is the result often unexpected from getting knowledge each english word has its own soul and connotation negative or positive if someone tells you re

stupid that makes you feel bad and angry if someone tells you that you're amazing that makes you feel well amazing game on **High Frequency Words** 2002 presents difficult words with definitions explanations and examples of how the word is to be used

Fifty Ways to Practice Vocabulary: Tips for ESL/EFL Students 2023-04-15 how to learn and memorize english vocabulary using a memory palace specifically designed for the english language and adaptable to many other languages too special edition for esl students if you'd like to improve your ability to learn english vocabulary by as much as 100

200 even 300 or more using simple memory techniques that they can learn in 15 20 minutes or less then this may be the most important book that you will ever read on your journey to english proficiency believe it or not it doesn t matter if you think you have a good memory or not the information in this book will teach you why memory is like a bicycle everyone can ride with some minor personal adjustments the real reason why no one should ever be squeamish about memorization or learning a language why and how some of the most famous memory skills are applicable to learning any language especially english how you can easily create a 26

letter location memory system based on the english alphabet unique techniques that will have you literally tuning in on the english language how to separate english words in the most effective manner for memorization two secret ways you can use relaxation to aid the memorization process these two methods alone are worth the price of this book because they will literally eliminate the stress and apprehension english learners face when struggling to learn english vocabulary and much much more these techniques have been used by real language learners most of whom previously considered themselves owners of a bad

memory to make real strides in learning english vocabulary don t worry none of these techniques are rocket science frankly if you can memorize a short email address or the name of a movie then you can use this system to memorize a language as rich and diverse as english plus everything you ll learn in this book applies to every other language that shares the same alphabet with english and with a little imagination the ideas are easily transferable to other alphabet systems too but there s really no time to lose every day that you are not using this simple vocabulary memorization system you are literally stealing from yourself the joy of being

able to read speak and recall an abundance of english vocabulary as you easily expand the natural abilities of your mind

English 3000 Vocabulary Word Search & Workbook [200 Pages][6x9] 2019-12-11 my personal dictionary my vocabulary list vocabulary notebook organizer the best technique for learning vocabulary write look cover repeat create your own dictionary write the words with their translations or definitions in your personal notebook and learn faster ruled a z index vocabulary book lined pages with central margin a to z alphabetical order each letter for 2 pages

Better Vocabulary in 30 Minutes a Day (EasyRead Large Bold Edition) 2017 english is a global language spoken worldwide by nearly 400 million native speakers and 750 million people of different ethnicities as a second language making it the largest spoken language in the world while there are multiple dialects and accents including north american british english australian african and asian to name a few it can often be interpreted by people using a different dialect and accent which makes communicating in english one of the most essential skills to have being able to read write speak and understand english is

necessary for business travel education career and for maintaining international relations the most successful people in the world have mastered their communication skills in english it helps them have a better life not only professionally but also personally these people can express themselves better and maintain good relations with their family and friends every language comprises of two parts grammar and vocabulary while grammar can be learnt at schools colleges universities private institutions or using english grammar books learning vocabulary and being able to remember it and utilize it in everyday communication

has always been a challenge dictionaries have been the oldest and most basic source of learning english vocabulary they provide word meanings and sentences thesaurus provides synonyms of words other english books provide antonyms idioms and phrases but all these serve more as a reference than a learning source since memorizing a plethora of words from these sources is almost impractical and yet most books for competitive exams in the market today list thousands of words and meanings and expect people to memorize them institutes and universities encourage people to read novels or fiction books

voraciously in the hope that people will be able to improve their vocabulary what they fail to understand is readers must read hundreds of books to learn hundreds of words there is never a certainty that the books they read will have a disjoint set of words even if they do it will only take several years before a reader will be able to master hundreds of words in order to resolve the above conundrum and make it convenient for readers to learn thousands of words with just one book and in a span of only two to three months an attempt has been made in the form of the english bunny the english bunny is a collection of short stories and prides itself on

covering close to 2500 words and their meanings in just about 150 pages with 1 story per page and each story not exceeding 20 lines like never before the english bunny is here to revolutionize the way you learn and improve your english vocabulary if you are a student preparing for any competitive exam like gmat gre toefl ielts mcat sat or act you are hard pressed on time and would want to master a lot of words in a short span of time the english bunny will help you memorize these words in a sure shot fun way with very little effort if you are a business professional looking to enhance your communication skills by improving your vocabulary the

english bunny will help you in your pursuit if your first language is not english and you have difficulty in understanding complex english or if you are interested in improving your confidence the english bunny will help you in your pursuit it is your fastest english vocabulary learning pal

Vocabulary Notebook for Learners of English

2018-02-19 learning vocabulary is fun and rewarding of course you are not studying

vocabulary just for fun you want to learn words and advance your level of english this book is aware of your needs and values your time and effort therefore it is designed to make vocabulary learning easy and less effortless as well as less time consuming vocabulary practice is a workbook for esl efl intermediate level students this book focuses on the teaching of the most commonly used words in written english the book contains twenty five lessons additional activities after every four lessons provide a review for the past four lessons there are twenty five lessons and six additional activities repetition is essential to vocabulary

learning brain cells form a new connection each time the word is repeated on the condition that the word is used in a new context each repetition will expand word knowledge and allow new connections with various domains of the brain the number of meaningful repetitions relates to creation of new connections and the number of new connections relate to successful vocabulary learning words presented in each lesson are repeated over and over again in different sentences or phrases variety in the number of activities aims to achieve the creation of repetition effect in other words the purpose of excessive amount of repetition is to

ensure that you are learning the words presented to you in each lesson the book does not aim to challenge your vocabulary knowledge the sole purpose of this book is to provide you a foundation in which you can build a strong vocabulary outline of a lesson you will find a word list at the very beginning of each lesson the entire lesson is built on the mastery of these words each lesson contains eleven activities variety of activities allows these words to appear multiple times and in different word forms activity one the first activity comes with three variations the first variation you will see a long list of sentences there are two

sentences with similar meaning your task is to find all the pairs of sentences with similar meaning the second variation to this activity this is a text based activity each text contains an irrelevant sentence read and find the irrelevant sentence the third variation the text contains two missing sentences below the text you will see five sentences containing the missing sentences check all the sentences against the text and find the most appropriate sentences to put in the text activity two match the beginning of the sentence to the ending activity three put the following phrases in the correct place activity four last

words of each sentence are taken away put the words back into their correct place activity five use the following collocations in sentences of your own activity six choose the correct word to make a collocation activity seven put the following verbs in the correct place activity eight choose the correct word or phrase to complete the sentence activity nine use the following word in the correct form activity ten use the words above to complete the sentences activity eleven use the model sentence and complete the missing parts of the sentence with a word or a phrase of your own since the model sentence contains

alliteration you need to find words that begin with the same sound to maintain the alliteration
