The Complete Chris Orr 1976 finalist in religious non-fiction and spirituality for 2016 Next Generation Indie Book Awards. Struggling with lifelong disordered eating and adolescent addiction, Chris Cole had his first psychotic episode at the age of eighteen, suddenly believing he was the second coming of Christ. He lost his identity and tried to perform miracles and was ultimately arrested in the lobby of his college dormitory, all while convinced he was being taken to his crucifixion. Even when sanity returned, he could not help but contemplate God's involvement for years. Chris danced with delusion but he eventually surrendered to his humanity and learned to embrace reality. The body of Chris explores mental illness from bipolar disorder to substance use to binge eating in one man's search for salvation from his oldest wounds to his renewed spirituality. David Bowie Black Book 2013-07-16, in Michael Bunker's Pennsylvania Omnibus. Jedidiah Troyer becomes the hero of Trace's fight against the Transport Authority, but even before Jed's adventure begins, the Second War for Pennsylvanian Independence has raged for a generation. Originally published as separate stories, *Tales of B Company*, the complete collection captures the struggle, tragedy, and heroism of a company of Trace commandos as they wage war for the freedom of New Pennsylvania. In this collection, fans of Bunker's novel will discover cameos by some of his most beloved characters, as well as a new appreciation for the struggle of Trace against Transport. *Gelassenheit* tells the origin story of a fan favorite character in the *B Company* tales, recalling the conflict established in the Pennsylvania Omnibus as an Amish family tries to maintain its cultural identity under a despotic Transport Authority. In Gettysburg, the commandos of B Company fight to secure much-needed Okcillium, the miracle mineral and power source of Transport's dominion over its citizens, to even the odds in their rebellion against the Authority. Susquehanna finds our heroes desperate to secure Trace's vital food supply from the Amish zone, and circumstances force them to make an uncomfortable alliance with the Wild Ones, the salvager homesteaders of New Pennsylvania. And in Columbia, an unsanctioned raid to free the captured QB B Company's beloved captain becomes a race against time when Transport sets a ticking time bomb to destroy the city. In *Tales of B Company*, heroes fight and heroes fall, loyalties are tested, and friendships forged, and Trace wages bloody battle.
