shohreh bashar ayesha khalid
dr roya f komeiliwhen we
receive a diagnosis from
medical professionals we are
often so overwhelmed that we
give up power over our own
health and well being but the
truth is we have more control
over our health and life that we
have been led to believe and
that belief is at the core of our
body s capacity to heal itself by
identifying the emotional roots
of illnesses we can tap into the
body s healing powers and
discover that although healing
can be complex and deeply
personal it can also happen
spontaneously in a moment
heal shows us that science and
spirituality are united and
demonstrates that our thoughts

beliefs and emotions have a
huge impact on our overall
health and the ability to
recover from illness and injury
this book offers many
alternative modalities that have
worked well for thousands of
years but can t counter the
effects of life in the twenty first
century instead you need a new
approach to control anxiety
especially given the proven
connection between stress and
serious diseases including
cancer caused by a
dysfunctional immune system it
s a modern and stressful world
we need a modern way to
transform anxiety into vital
energy these authors offer the
ways
